Will Overgrad work on my phone or tablet?  
Yes. Overgrad is mobile-optimized for both Android and iOS devices, including phones, iPads, and tablets.

How much does Overgrad cost?  
Overgrad is 100% free to use.

Is my personal information safe?  
Overgrad utilizes end-to-end TSL/SSL encryption and has multiple layers of security. Your data will also never be sold or released to 3rd parties.

How do I get started?  
Your high school will give you instructions about how to create your student or parent account.
